# Welcome to Vierumäki Day Spa

We want to make your stay unforgettable.

Here is a checklist for your spa visit.

Please arrive at least 15 minutes before the treatment is scheduled to begin. You will have time to get ready and relax in the lounge before your treatment.

Please put your phone on silent when you arrive at the Day Spa.

If you wish to use the sauna, please do so before your treatment. The products we use will continue to influence your skin after the treatment.

There is a free service of flavoured water, tea and snacks in the lounge. You can also treat yourself to a small bottle of sparkling wine.

Put on a bath robe and slippers. You can leave your clothes in a locker in the locker room.

If you use contact lenses, please remove them before the treatment.

The spa therapist will come and fetch you from the lounge and explain the phases of the treatment to you beforehand.

At the beginning of facial treatments, a skin-care beauty consultation is performed. Enjoy your treatment. You can make requests related to the phases of the treatment to the spa therapist.

You should reserve time to relax in the lounge after the treatment, and you can also make product purchases there. Remember to drink plenty of water after the treatment.

## Enjoy your Day Spa experience!
